Food Guideline Training Period Ends

October 1 is the ending effective date of the Training Period for the federal food guidelines. New procedures are to be fully in place October 1, 2018. All claim Warnings in KidKare will now change to Disallows for your October claim. Please check your Claim and Error Statement for all future claims. Any claim adjustments may only be made prior to the claim deadline date for that month. Adjustments will not be made past the claim submission to the State. The whole grain toggle must be selected once per day to avoid Meal Disallows. You may check your Food Served Report to verify the whole grain button has been selected daily.

If you have any questions with the new food changes, please do not hesitate to call and clarify questions. We will continue to work with each provider the next year to insure proper training of the new food guidelines and that new procedures are fully in place.
