Volume 36 issue 4

April 2024

## April Dates To Remember:

- February payment is scheduled to be released on **March 27**
- March claim is due in the office on **April 3**, by **9:00 AM**.
- *The payment schedule dates for 2024 are **estimated dates**. We cannot guarantee deposit dates received from Pennsylvania State Treasury.*

## 2024 Provider Training

Online Training has been opened for the month of April. **You may start the training early this month in March, but please do not complete the last training module until April 1 or you will be out of compliance with the one year training requirement.** The certificate date must state a day in April for training compliance. Each provider will be responsible to login to the training portal and complete 7 separate modules using last year's username and password. If you have not taken this training in the past, you will be prompted to create a username and password. **We are asking that you login to the training by April 5 so we can see that you are enrolled and have access to the proper training for daycare providers.** Please note there is also a training for centers and after school programs that will not count for your training requirement! These modules can be taken at your own pace throughout the month of April. However, all 7 modules must be completed by Tuesday, April 30. Please allow 3 hours for completion of all 7 modules. Each training module will have a test to be passed with at least an 80% for the training to be considered complete. Upon completion of the 7 modules, please print out your training certificate and retain for your records. We do not have access to your certificates, so please remember to print out and place in a folder for future reference. **Please see attached tutorial for step by step login instructions.** These training sessions are a requirement of USDA for continued participation in the Child Care Food Program.

The training link is [www.pasanutritiontraining.com](http://www.pasanutritiontraining.com)

You must complete PASA 211 CACFP Annual Training for Homes. Do not click on PASA 210 or 213.

Welcome Spring!
